GASTRO-GUIDE

## GASTRO-GUIDE *Project*

Within the Erasmus+ vocational training cooperation associations program (KA220-VET), the project focuses on the creation of a **professional profile**, the called "Gastro-guides".

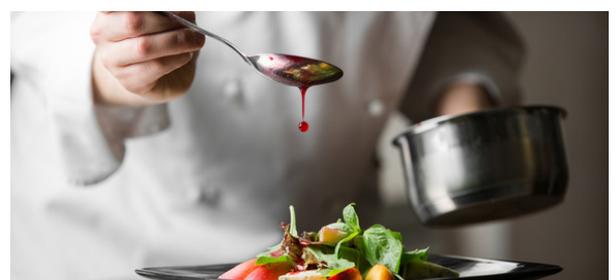

The Gastro-guide will help local villagers express their knowledge to those who come in order to welcome better the visitors.

This person will **promote activities** in rural areas through education and the promotion of agri-food and gastronomy.

Its main task will be to disseminate agrifood products and local gastronomy, to promote experimental tourism.

In autumn our website will be available.

We encourage you to visit it.
